

# Abduction Interrupted

Start Position: Standing at P1, facing down range, hands on barricade, gun loaded to division capacity in holster.

Scenario: You make a late night stop at Buc-ee's to get yourself a fountain drink, when all of a sudden you hear a piercing scream coming from the restrooms. As you start to draw your weapon and assess the situation, you notice several guys peeking out from around the corner display aisles with weapons drawn.

Stage Procedure: At the signal, draw and engage targets T1-T6 with two (2) rounds each, in tactical priority (barricade order) using cover. From P2 engage target T7 with two (2) rounds each and poppers PP1-PP2 until they fall in tactical priority (barricade order) using cover.

Note: Popper PP1 activates mover T7.

Scoring: Vickers Count

Scored Shots: 16

Target Distance: 3-12 yards

Concealment: Required

Penalties: Per IDPA Rules
