

Around Back

Start Position: Standing at P1 facing down range, hands relaxed at sides, gun loaded to division capacity in holster.

Scenario: Bad dudes from the wrong side of the tracks have cornered you and your loved ones, and are threatening to beat the life out of you with lead pipes. Although once they find out you have a gun, they draw theirs and return fire.

Stage Procedure: At the signal, draw and engage targets T1-T3 from cover at P1, in tactical priority (barricade order). Engage targets T4-T6 in tactical priority (barricade order) from cover at either position of P2. Engage targets T7-T8 thru the window, in tactical priority (barricade order). All targets required two (2) rounds each.

Scoring: Vickers Count

Scored Shots: 16

Target Distance: 3-9 yards
