

Stage 1, Bay 2

Oh Crap!

RULES: IDPA- no concealment required

COURSE DESIGNER: John Kimball

Modified by Steve Ormeroid

START POSITION: Seated on chair, facing up range, leaning against chair back, handgun un-loaded, magazines and gun lying on table. .

SCENARIO: You are relaxing outside after cleaning your handgun. Suddenly a roving gang bursts into your yard and grabs your child hostage. Take them out and save your child. The bad guys may have body armor and some are hiding behind trees and bushes in the yard.

PROCEDURE

On signal, retrieve and load handgun and spare mags from table. Any spare magazines to be used are to be stowed (pockets or carrier) before any movement from table. You may shoot before stowing. Any ammo left behind is not to be used. Engage all targets in tactical order and then tactical priority as they become visible, use all cover when available.

TARGETS: 7

SCORED HITS: Best 2 hits on targets-Vickers Count

START-STOP: Audible - Last shot

RE-LOADS: Use available cover (non-engaged targets not visible provides required cover)

SAFETY CONSIDERATIONS: muzzle direction when loading and stowing magazines

SET-UP NOTES: Set T1,T2,T4,&T5 such that lateral movement is required to see and engage targets

SET UP NOTES: Maximum 3 magazines, no more than Division capacity (no plus 1 round) or 4 speed-loaders or moon clips on table
